4. REPORT OF FINDINGS	
<p>On 30 May 1984, Source 63 reported the following information concerning the event that occurred on 09 April 1984 [REDACTED]</p> <p>Source 63 reported the event as a manmade explosion. There was a muffled boom, a powerful light. There were whining, ripping and water sounds. A large dome shaped object rose out of the water (not further identified). Source 63 felt that this event was connected (NFI) to a building, perhaps a one story, fenced in building. The building was gray and smooth, made of mixed materials, flat and of varying heights. The building had a strange secretive, quiet, electric feeling (NFI). The people involved were foreign, had black hair and wore white and black uniforms (NFI).</p> <p>Source 63 was unable to provide any further information concerning the date and location of interest.</p>
